Re: Changes to the ADHS/DBHS Covered Behavioral Health Services Guide

The following changes have been made to the Covered Services Guide Manual, effective March 15, 2003.

1. Appendix F-Institution for Mental Diseases Information Sheet Replaced existing document with revised version.
2. Several grammatical revisions were made throughout the narrative section of the guide.
3. Minor changes were made to the general definition of case management services.
4. AHCCCS Provider Type 39, Habilitation Provider was added as an allowable provider type for the provision of respite, personal assistance and non-emergency transportation services.

For those maintaining a hard copy of the guide, Version 4.0, replace the following pages to update your guide:

Introduction Section: *Pages 8, 11, 13-20;*

Service Description Section: *pages 43, 48, 52, 53, 55, 61, 67, and 69;*

Appendix F;

Appendix B-2;

Appendix B-9: *Page 19*

Effective April 1, 2003, Provider Type 39, Habilitation Provider will also be eligible to provide family support and living skills training services. In the near future, a separate change notice will be issued to describe the resulting changes to the Covered Services Guide.
